

DAS (R)EINE VOLK - GEFOLGT VON (R)EINHEIT!  
**(R)EINHEITSGEBOT # 19**

ENGLISH TRANSLATION

If one believes the usual knowledge creators, referred to as scientists, imposters, who are financed by Zion's mafia, and who try to make us believe one corny joke after the other, then the pyramids of Giza, for example, are 4.000 years old. Sure, and my grandma still rides her motorcycle in the chicken coop, as a German saying goes. The truth is, the 118 polished surfaces of the Egyptian pyramids reflected the sunlight of the lamp of the JHWH back then. Power stations of such intense capacity, that electric charge could easily be generated in huge quantities. Or why does one spend 20 years building a single precision tomb, wasting precious dolomite rock as the electrical conductor? For hundreds of thousands of years, these MEGA-Powerplants made for eternity were supposed to serve as a clue and intention to people, which they continue to do.

Just as those dusty lies are supposed to divert us from the truth, the MATRIX, or rather its creator, stultifies us with regard to our OWN VALUE, disfiguring like this our holy existence. But, the stupid one follows, as always, voluntarily!

A term that has grown over the years and has gotten extremely popular, forged by the "House|Disco|Dance|RMB scene", is that of the "Disk Jockey", also called DJ, pulling the strings of a live event. In the German DEMONcratic Republic, where I grew up, the DJ was the King, so to speak! One of them, his designation "DJT", a superstar, the king among lions of the central German disco-scene. We are currently experiencing the same spectacle, slightly modified, in a much more voluminous scale, but it still remains a stage. "T" puts millions upon millions under his spell, like no other DJ before him! "Under the Spell of the Creepy" a silly movie title from the series of Edgar Wallace as storage format compressed mental illness. Who this man was and what he swindled in the prison camps of Zelluloid, revealed our brother Heinz-Christian Tobler. German prisoners of war, emaciated to the bone, this Wallace-criminal sold to us as Jews tortured and exterminated in camps by the so-called NAZIs. If only the people knew, what unimaginable power and at the same time POSITION OF POWER their collective consciousness of constantly running after, of the convictions, certainty and the imagined and therefore created - when two or more are unite in my name – has and represents.

Millions leave the system: "No longer with me, I won't be fooled again!" was the content of an e-mail sent to me the day before yesterday. "So much lies, but now I am awake," the mail of the "Awakened" continued. Long ramble... he will be concentrating much more on the truth, wherein

he has recognized everything useful to him, namely the predictions of the astrologer Silke Schäfer. Only to briefly describe the path of this lost soul: Let's assume the man is taking the S-Bahn in the greater Berlin area. Coming from Königs Wusterhausen, Wildau, Zeuthen, Eichwalde, Grünau and the next stop behind it, is Adlershof. This is where the man gets off, as he says, leaves the system that is symbolized by the S-Bahn in our example. Instead of just leaving the station here, in this moment in Berlin-Adlershof, with the bright realization, that this system is not working properly **AND LOOK INTO HIMSELF**, he walks only a few steps to the other side of the platform, where the S-Bahn of Silke Schäfer is waiting, with which he RETURNS to Königs Wusterhausen. There he leaves the train of "Silke Schäfer", possibly sees a train on the other side of this platform, with the direction of Beeskow/Storckow, from which HaJo Müller is cheering, who has stolen all of our hearts with his plans of restoration of the trading company Deutsches Reich. And in Beeskow, the smart one may now guess what is coming, Andreas Popp stands with his Eva Braun, our good and naturally fully awakened man "*p r o d u c i n g* knowledge by hand" - (WISSENSMANUFAKTUR) KNOWLEDGE MANUFACTURE - and from now on takes the awakened person completely unselfishly under his wing. So this oh so much Awakened individual is tumbling from a system of the same MATRIX into next, without ever taking note of his state of permanent imprisonment on the outside. But, to repeat, he's doing it all **VOLUNTARILY!**

Let us ask ourselves how astrology can be possible at all, when a) our Irtha is not round and b) no planets and stars out there can have their true existence on the plasma screen? And already here it becomes very uncomfortable for the scientific community in need of explanation. I confronted the lovely Silke already several times with this topic, but her false, in Switzerland produced wealth, created by her many fans, is at stake. She **MUST** continue her lies. You will find out immediately how serious they are: In May/June and now August, did you have any arguments with other people, those you actually love with all your heart? Then take a look at the annual preview of Silke Schäfer, who captured it on video in January 2020, also a live event, ... Silke as a DJ, so to speak. There she reports about an astrological fiction, Mars, which is in conjunction with... and in certain months this unique event would occur... Do you really believe all this shit? Maybe not necessarily you, but instead, hundreds of thousands, who have fallen for the "magic" to the false scholars. Didn't we learn, that if YOU ARE CONSCIOUS OF YOUR POWER...YOU ARE THE SELF. Read my little booklet about it, come into **YOUR** POWER! If however hundreds of thousands of these effeminate slaves - all of them also more or less creating souls! - do a certain work in a certain name, no matter what value, then GOD – the general consciousness of humanity- is at work and then good night!

"Does that mean, out there, in space (???) ..." Out there in space is your imagination, nothing else. "Out there" grows and flourishes if you pay attention to a fictional representation created with Photoshop. That, which you are looking at, with hundreds of thousands or millions of other unconscious, that inflates itself like the hyperinflation in Germany known to all of us, after Zion had nearly finished with its wave of destruction against our holy FOLK. Space does not exist!

The Master Bruce Lee and his bright son Brandon had to die for the reason, that they brought a family secret, which was kept more than 8,000 years by the dragon families into the public, this against their oath. But Bruce and Brandon were true ambassadors of a certain power. Their death was not essential to them, the awakening of the bright humanity was supposed to be the target of their work. This way, Bruce Lee was able to break down nearly all firmly established beliefs of this matter, by proving to the viewer the opposite, on the basis of his abilities.

Irtha is **not** a sphere, furthermore there is **no** space, only a "farm" inside, "Sol" as lamp and

simultaneously as prismatic eye for control, six continents, around which there is an ice wall, behind it almost three dozen further continents, all in the size of Africa and often larger, there the "aliens" - the non-Irthians (!) live - the sun there is called "Bol", another ice wall around it, many more continents behind it, a sun called... we already analysed and proved all that in numerous VOLKESBOTSCHAFTEN. Do you understand better now?

And there is no moon? Yes, sure, an artificial moon, one serving as information and control-Panel, there is very much. But to claim, that he was in a collision of Nibiru X with Venus... and then something spun around for a few eons and then of course everything was round and clear. Man, WAKE UP at last, these things, which are explained to you again and again in computer animations only came to life, due to the power of your conviction, it is a deception.

If you want to get out of here, then you must finally wake up and not travel to Potsdam to a commercial court event with a poster, that says "Thank you, Heiko!" only to run into the arms of the next Pied Piper, who is now performing the play: "The widow of John Lennon sued me - now I need all your money, because she hired one of the most expensive New York attorneys to boycott my oh-so-important work." So please support the Heiko with all your energy and above all, give him your faith, then everything will surely be good. As I saw the bavarian bitch LISA FITZ come running to him, man, what a left bitch! John Lennon, who carried the IR rune with border - a ring to enslave them all! - so gladly as ANTIPEACE - symbol, THE BEATLES, a club of Freemasons, satanists, child fuckers and his Yoko OHNE always by his side! Is Schrang really so naive-dumb and believes the bullshit of a peaceful John Lennon? I don't think so. What do you think? Thy WILL be done!

In Liebe und Verbundenheit.
